DEPOSITION OF VAUGHN DAVIS, a witness

herein, called on behalf of the Plaintiffs for
examination, taken pursuant to the Federal Rules
of Civil Procedure, by and before Maria M.
Schaffner, Registered Professional Reporter,
Certified Realtime Reporter and Notary Public in
and for the Commonwealth of Pennsylvania, at the
Office of the Attorney General, 564 Forbes
Avenue, 5th Floor, Pittsburgh, Pennsylvania, on
Monday, March 1, 1999, at 11:20 a.m.

A 106

1 V. Davis - by Mr. Krakoff

2 A. 57.

3 Q. And I understand that you're no longer
4 employed at OPR; is that correct?

5 A. That's correct.

6 Q. Are you still employed with the state?

7 A. Yes.

8 Q. With what agency?

9 A. Department of Labor and Industry.

10 Q. When were you last employed by the
11 Department of Corrections?

12 A. June of '97.

13 Q. I take it that you were employed by OPR
14 until the very end?

15 A. I was employed by OPR until
16 December '96.

17 Q. Where did you go after December or in
18 December?

19 A. Department of Community Corrections.

20 Q. And you started there in January of
21 '97?

22 A. I was there in -- from January till
23 June, yes.

24 Q. How long had you been employed -- and by
25 the way, I know that OPR at one point was called

1 V. Davis - by Mr. Krakoff
2 by another name. But when I say OPR, I mean it
3 to include whatever its title was during the
4 time that you were working at the agency.

5 How long had you been employed at OPR?
6 When did you begin working there and how long
7 from there --

8 A. From April '92 until December 30th,
9 '96.

10 Q. When you began working at OPR, what was
11 your position there?

12 A. Director of Investigations.

13 Q. Did you remain director during your
14 entire tenure at OPR?

15 A. Yes.

16 Q. How many investigators did you have
17 working for you when you began?

18 A. Five.

19 Q. Did that change after you began working
20 as the director?

21 A. I believe it basically stayed the same.

22 Q. I'd like you to outline the basic
23 functions of OPR during the time that you were
24 there, its mission and what it was expected to
25 do.

1 V. Davis - by Mr. Krakoff

2 investigating or this is something we're going
3 to investigate; is that correct?

4 A. I may or may not that make that judgment
5 at that point. I'm looking for facts.

6 Q. Were there occasions when OPR and
7 institutional-level people worked together on an
8 investigation simultaneously?

9 A. Yes.

10 Q. And were there occasions involving
11 allegations of staff-on-inmate abuse where the
12 investigation would be conducted from beginning
13 to end by institutional-level people?

14 A. Yes.

15 Q. And then there were occasions, I take
16 it, when OPR would conduct either all or
17 virtually all of an investigation; is that
18 correct?

19 A. That's true.

20 Q. I think you've already identified some
21 of your responsibilities as the director of
22 OPR. But what I'd like you to do, and it
23 doesn't have to be in great detail, but I'd like
24 you to summarize what your basic
25 responsibilities were as the director of OPR.

1 V. Davis - by Mr. Krakoff

2 (Short pause in the proceedings.)

3 Q. Now, during the time that you were the
4 director of OPR, did OPR conduct any
5 investigations of alleged sexual misconduct by
6 members of the Cambridge Springs staff against
7 Cambridge Springs inmates?

8 A. Yes.

9 Q. What I'm going to do today is to ask you
10 to recall for me the investigations that
11 occurred of that sort during the time that you
12 were the director. And what I'd like you to do
13 is to identify the name of the staff member.

14 A. I recall the name Zimmerman.

15 Q. Okay.

16 A. The name Walton, the name Raun, Eicher,
17 Miller. Those are the names I can recall.

18 Q. As we go through the materials, there
19 may be some other references that will refresh
20 your recollection.

21 Do you have any recollection of any
22 investigations of alleged sexual abuse by
23 Cambridge Springs personnel against
24 Cambridge Springs inmates conducted by prison-
25 level staff of which OPR was not involved in?

1 V. Davis - by Mr. Krakoff

2 A. No, I don't recall any.

3 Q. Does that mean that you don't have a
4 recollection of any names or you don't have any
5 recollection of that having occurred while you
6 were the director?

7 MR. HALLORAN: Let me -- you can
8 answer the question.

9 A. I don't recall any specific allegation
10 against staff that they investigated, "they"
11 meaning Cambridge Springs, and we didn't.

12 Q. Okay. What is the first investigation
13 you recall of that sort conducted by OPR? And
14 I'm confining this to sexual abuse by
15 Cambridge Springs personnel against
16 Cambridge Springs inmates.

17 A. My recollection is that it was a staff
18 member named Zimmerman.

19 Q. What do you recall about the charges --
20 the allegations in that case?

21 MR. KRAKOFF: Don't put charges
22 in.

23 Q. What do you recall about the allegations
24 in that case?

25 A. The staff member was a maintenance

1 V. Davis - by Mr. Krakoff

2 A. Yes.

3 Q. -- before you left --

4 A. Yes.

5 Q. And do you recall generally what the
6 conclusion of OPR was with respect to the
7 allegations?

8 A. We found the subject in that case was
9 culpable of sexual misconduct.

10 Q. At the time of the Zimmerman
11 investigation, did the Crimes Code make it a
12 crime for prison personnel to engage in sexual
13 activity with inmates?

14 A. Yes.

15 Q. And what OPR concluded Zimmerman had
16 done, did that fall under the provisions of
17 either 3125 or 3126 of the Crimes Code?

18 A. Not to the best of my recollection.

19 Q. Was a recommendation made by OPR as to
20 whether criminal charges should be filed against
21 Zimmerman?

22 A. I don't recall.

23 Q. If they were recommended, where would
24 such a recommendation as a matter of practice
25 while you were at OPR be contained?

1 V. Davis - by Mr. Krakoff

2 jurisdiction.

3 Q. But within the department itself, was
4 anybody else's authorization something that you
5 required before OPR would initiate criminal
6 charges?

7 A. No.

8 Q. Did the commissioner ever tell you that
9 you weren't authorized to initiate criminal
10 charges for sexual misconduct without his
11 permission?

12 A. Not to my recollection.

13 Q. But that was your practice while you
14 were OPR director?

15 A. That's right.

16 Q. Under the Crimes Code as you understood
17 the Crimes Code, was consent a defense?

18 A. No.

19 Q. As a matter of your practice, did an
20 inmate's apparent consent play a part in the
21 determination at OPR as to whether to initiate
22 criminal charges against a staff member?

23 A. No.

24 Q. So your approach essentially paralleled
25 the Crimes Code in that regard?

1 V. Davis - by Mr. Krakoff

2 A. Yes.

3 Q. Now, apart from the Crimes Code -- and
4 let me represent to you that I listened to your
5 presentation at Cambridge Springs, but I
6 represent to you that in that presentation, you
7 discussed how consent was not an issue because
8 in the wisdom of the general assembly, they
9 decided not to get into the issue of consent.
10 Do you recall saying that?

11 A. I believe that, yes, was part of the
12 lecture.

13 Q. Now, let me refer you to Volume III,
14 Exhibit No. 127. This is a multipage document.

15 A. Okay.

16 Q. The first page is a fax cover sheet, and
17 this fax was sent by H. Rodriguez. That's the
18 clerical person that you identified earlier as
19 being responsible on occasions where a copy of
20 the report was distributed to a superintendent,
21 she would take care of that, correct?

22 A. That's true.

23 Q. But I take it that she wouldn't send it
24 unless you told her to send it; is that
25 correct? Is that the way it works?

1 V. Davis - by Mr. Krakoff

2 friend, no.

3 Q. Any of the other administrators?

4 A. I had heard that he was friendly with
5 Deputy Utz.

6 Q. Now, was there any effort that you can
7 recall to determine after this report whether
8 Zimmerman had been sexually involved with any
9 other Cambridge Springs inmates?

10 A. I don't recall any.

11 Q. Do you have any recollection of any
12 effort being made to determine whether Zimmerman
13 had been involved sexually with any other women
14 apart from Lisa Gunnarson in the course of this
15 particular investigation?

16 A. No.

17 Q. If there was an allegation that a member
18 of the staff had been involved sexually with an
19 inmate, what was the practice at OPR with
20 respect to attempting to determine whether there
21 were other inmates who had been sexually abused
22 or possibly sexually abused by the staff
23 member?

24 A. Through the course of the investigation,
25 any evidence or any information gathered that

1 V. Davis - by Mr. Krakoff

2 reading?

3 THE WITNESS: Third paragraph.

4 Q. So I think the Freddy's appears to have
5 described the whole place, I guess, rather than
6 just that room.

7 Captain Bartlett, SCI-Cambridge Springs,
8 conducted an investigation into this and told
9 Mr. Wolanin that in this area he found a room on
10 the first floor with a couch, chair, table and
11 heater inside. He also found that the door had
12 a latch to lock it from the inside and that only
13 maintenance had a key to this room.

14 You'll note that an informant, according
15 to this, had said that Zimmerman had been seen
16 taking not only Gunnarson, but also another
17 inmate to Freddy's house.

18 Do you have any recollection of whether
19 there was an investigation to determine whether
20 Mr. Zimmerman had preyed upon the other inmate?

21 A. No, I don't.

22 Q. Now, did the OPR have a policy with
23 respect to whether an alleged inmate/victim of
24 sexual abuse should be given a Miranda warning
25 in connection with being interviewed? Did you

1 V. Davis - by Mr. Krakoff

2 have a policy one way or the other as to whether
3 the alleged victim should be Mirandized?

4 A. No.

5 Q. So did you ever ask your investigators
6 to Mirandize an alleged victim?

7 A. No.

8 Q. Did you expect them to Mirandize the
9 alleged victim in the course of the
10 investigation?

11 A. It would be entirely dependent on the
12 circumstances and the information that we're
13 gathering, you know, during the course of the
14 interview.

15 Q. Okay. Under what circumstances, if you
16 will, would the alleged victim be given Miranda
17 warnings?

18 A. If it appeared because of their
19 admissions that there was something criminally
20 culpable.

21 Q. If the issue is whether or not a staff
22 member allegedly committed any of the acts that
23 I described in the definition of sexual
24 misconduct, would that indicate Mirandizing the
25 inmate?

1 V. Davis - by Mr. Krakoff

2 MR. HALLORAN: That alone?

3 MR. KRAKOFF: That in itself,
4 without more.

5 A. Could you repeat that?

6 Q. Okay. In other words, if an inmate
7 alleged that one of the acts that would
8 constitute sexual abuse -- kissing, hugging,
9 fondling, being touched in any of those areas
10 that I described, or being pressured into sex or
11 being threatened or forced into sex -- if those
12 were the allegations, without more, would you --

13 MR. HALLORAN: Go ahead. I'm
14 going to make an objection to the form of the
15 question. Are you talking about an inmate,
16 witness or --

17 MR. KRAKOFF: No. We're talking
18 about the alleged victim.

19 A. The alleged victim.

20 Q. Would Mirandizing that victim under
21 those circumstances be warranted?

22 A. Under the circumstances you've just
23 described?

24 Q. Right, yes, right.

25 A. Hypothetical as they may be?

1 V. Davis - by Mr. Krakoff

2 Q. Right.

3 A. No.

4 Q. Okay. You were talking, I take it,
5 about a situation where perhaps the alleged
6 victim testified Officer So-and-so sexually
7 touched me, and when he did that, I got so angry
8 I shot him. That would be -- I mean, that might
9 be an extreme example, but is that that type of
10 situation where you say maybe Mirandizing the
11 alleged victim might be in order?

12 A. That might be, yeah. That might be an
13 appropriate circumstance.

14 MR. HALLORAN: In the form of that
15 question -- correct me if I'm wrong -- you're
16 asking him whether the victim is potentially --

17 MR. KRAKOFF: Incriminating
18 herself.

19 MR. HALLORAN: -- incriminating
20 herself in some conduct? Even if you think that
21 might be happening, a Miranda might be
22 appropriate?

23 MR. KRAKOFF: Right.

24 Q. Is that right?

25 A. Yes.

1 V. Davis - by Mr. Krakoff

2 Q. That's a much clearer way of putting
3 it.

4 What about if I put the same question to
5 you with respect to interviewing witnesses as to
6 alleged sex abuse by a staff member against an
7 inmate. In the absence of the witness
8 potentially incriminating himself or herself,
9 was it your practice to have your investigators
10 Mirandize the witness?

11 A. No.

12 Q. Was there a negative potential to
13 Mirandizing an alleged victim or a possible
14 witness to staff-on-inmate abuse from the
15 standpoint of gathering information?

16 A. Was there a negative impact that exists
17 -- did it exist?

18 Q. Well, was there a potential when if the
19 alleged victim or the witness were Mirandized,
20 did that potentially have an impact on acquiring
21 information from the alleged victim or the
22 witness?

23 A. I don't recall it ever being done. I
24 have -- the answer to your question is if it
25 were done, I have no way of knowing whether that

1 V. Davis - by Mr. Krakoff

2 would have a negative impact or not. Too many
3 variables.

4 Q. Well, when somebody is warned anything
5 they say might be used against them in a court
6 of law, isn't that going to have a potential
7 downside to gathering information?

8 A. I don't know. I don't know. I think,
9 first of all, it's not a warning. It's simply
10 an advisement of your rights. I don't look at
11 it as a warning, so I wouldn't use it as a tool
12 to extract or in any other fashion try to
13 compromise the truth.

14 Q. Are you aware of any of the security
15 captains or security lieutenants at SCI-
16 Cambridge Springs Mirandizing either the alleged
17 victim or alleged inmate witnesses to sexual
18 abuse?

19 A. No.

20 Q. So I take it you didn't advise them or
21 recommend that they do that?

22 A. Absolutely not.

23 Q. Did OPR while you were the director
24 provide any training to either Captain Lazenby,
25 former Captain Bartlett, Lieutenant Beck or

1 V. Davis - by Mr. Krakoff

2 other staff members in the conduct of
3 investigations?

4 A. No.

5 Q. How to conduct investigations?

6 A. No.

7 Q. Let me refer you to --

8 A. Could I back up on that?

9 Q. Sure.

10 A. My recollection is that we did sponsor
11 some seminars regarding basic investigative
12 procedures. The officers you've just named
13 would have been invited and may well have been
14 in attendance.

15 Q. I see.

16 A. Those seminars would have been held at
17 the training academy in Elizabethtown.

18 Q. Okay.

19 A. So I guess the answer to your question
20 is that it's very possible that they did receive
21 some training as a result of special
22 investigations, either coordinating a seminar or
23 participating in a seminar.

24 Q. Let me refer you to Exhibit No. 126.
25 This is a five-page exhibit. It concerns the

1 V. Davis - by Mr. Krakoff

2 Q. Okay. Lehman. And you said
3 particularly in female institutions. What did
4 you mean by that?

5 A. There are only two female institutions
6 in the state, and the awareness level of sexual
7 fraternization tends to be a little more higher
8 on the agenda in those institutions.

9 Q. Do you know why that's the case?

10 A. No.

11 Q. Now, did Mr. Lehman ever express to you
12 concerns about a sexual abuse incident at
13 Cambridge Springs while he was the commissioner?

14 A. No.

15 Q. What about Mr. Horn?

16 A. No.

17 Q. What about Mr. Fulcomer?

18 A. Mr. Fulcomer and I discussed sexual
19 misconduct incidents and investigations at
20 Cambridge Springs frequently.

21 Q. Did he ever express to you that he was
22 concerned about the incidents of alleged sexual
23 abuse at Cambridge Springs?

24 A. Could you be more specific about --

25 Q. The frequency of it or the number of

1 V. Davis - by Mr. Krakoff

2 allegation of sexual abuse at
3 Cambridge Springs.

4 A. I don't believe so, no.

5 Q. What about Superintendent Wolfe?

6 A. No, I don't believe that
7 Superintendent Wolfe discussed, you know, the
8 specific frequency of sexual abuse allegations
9 at Cambridge Springs with me overtly.

10 Q. Now, what do you mean by "overtly"?

11 A. I mean where he would initiate that
12 conversation when there wasn't any particular
13 issue at hand. Obviously, if we had an
14 investigation there I spoke to the
15 superintendent about that particular
16 investigation.

17 Q. Right.

18 A. But I don't recall him initiating, you
19 know, a great concern that he had relative to --

20 Q. In general?

21 A. Yeah, in general.

22 Q. Okay.

23 A. Exactly.

24 Q. Now, did you have any direct involvement
25 in the investigation -- in the Miller,

1 V. Davis - by Mr. Krakoff

2 there was video equipment utilized. And again,
3 my recollection of the first time I was there, I
4 specifically recall a camera that was set up in
5 the auditorium. It was a stationary thing.

6 Q. Okay.

7 THE WITNESS: I don't know where
8 you got this tape from. The DOC, from somebody
9 at DOC, Tom.

10 Q. You don't know what tapes exist at this
11 point, do you?

12 A. No, I don't.

13 Q. Have you given any lectures on sexual
14 abuse by staff against inmates at any of the
15 male institutions?

16 A. Not to my recollection.

17 Q. Now, a question or two about your
18 background. You made reference to the fact that
19 you were an instructor at Indiana University of
20 Pennsylvania; is that correct?

21 A. Yeah.

22 Q. And what was your area of instruction?

23 A. A variety of areas in the criminal
24 justice training center, the police academy and
25 lethal weapons training academy. It involved
